

ST. ANTHONY OF PADUA CATHOLIC SCHOOL STRATEGIC PLANNING GOALS

(Completed April 2010)

Catholic Identity

- SAOPCS will strengthen the relationship between the school and church.
- SAOPCS will increase understanding and appreciation of our Catholic heritage, faith traditions, and Gospel values throughout the school community.

Enrollment

- SAOPCS will develop and implement a recruitment and retention program aimed at maintaining maximum enrollment levels, while positioning the school for potential future growth.

Marketing, Public Relations, and Development

- SAOPCS will establish a Marketing & Development Subcommittee to address the school's marketing, public relations, and development needs.
- SAOPCS will enhance the school's reputation and standing with more aggressive public relations efforts.

Educational Programs

- SAOPCS will further develop its strong learner-centered instructional program, which challenges students and supports the school's mission.
- SAOPCS will comply with Texas Catholic Conference Education Department (TCCED) and Archdiocesan guidelines and regulations.
- SAOPCS will address the personal and social development of students through its guidance and counseling programs.

Staffing

- SAOPCS will recruit, develop and retain qualified personnel committed to the mission and philosophy of the school.
- SAOPCS will examine the current level of staffing and create a plan that adapts to the needs and available resources of the school.

Finances

- SAOPCS will maintain a balanced budget that will provide financial support for the school's short and long term operations and reserves.

Facilities

- SAOPCS will seek innovative ways to make the best use of the existing space available in the school facilities.
- SAOPCS will enhance school security to make our campus safe as possible for all in the school community.
- SAOPCS will work with the facilities staff to improve the maintenance of the school's physical plant.

Community Relations

- SAOPCS will examine ways in which it can bring together the school community, building up the partnership between school and home.
- SAOPCS will explore new avenues for involvement in the local community.

Technology

- SAOPCS will provide opportunities for academic excellence by enriching and enhancing the curriculum through the integration of innovative technology.
